

Blind Diabetes Independence Day

- The BID Group, and BID Group Friends, proclaim May 19th to be Blind Diabetes Independence Day!
- Bob Bourdette, Director of Sales at BID Group sponsor Advanced Diabetes Supply, will be at [Blindness Support Services, Inc.](#), 3696 Beatty Drive Riverside, CA 92506 on May 19th at 10am for a 30-minute (plus Q&A) training workshop on how to use the blind-friendly Prodigy Voice Blood Glucose Meter. Blind diabetics within traveling distance of Riverside, CA can attend in person. Blind diabetics, blindness social workers, CDEs, and those who cannot be there in person may join the meeting via conference call by dialing 641-715-0861 and entering the pin number 886466#. We will be hosting blind diabetics from across the country who want to learn how to use the Prodigy Voice Meter, get started with using the living with diabetes and blindness training materials, and make new friends. For more information about this event, contact Feliciano Godoy at 951-341-0296.
- BID Group sponsor, Advanced Diabetes Supply (ADS), provides the only NFB + AFB's award winning blind-friendly Prodigy Voice Meter to people on Medicare, private health plans, and those who pay in cash. ADS also sell Prodigy Test Strips for just \$6.87 per box for people with no insurance. For more information about the BID Group, call Jerry at 980-253-0949. To order a Prodigy Voice Meter and supplies, call Bob at 760-579-7230.
- The BID Group provides free "Living with Diabetes and Blindness" training materials on its website at www.bid.northcoastmed.com. Another BID Group friend is Senior Center Without Walls which provides peer-led support group services for blind diabetics. Contact Katie Wade at 877-797-7299 to get sign up. The first meeting will be held on April 14th at 10am to 10:45am PT.
